## PROFILE

Hi, I'm Alemayehu Mekonen, a dedicated software developer with a strong background in computer science. I hold a bachelor's degree and have gained experience through various projects and internships, including Safaricom. I'm certified in Spring Boot and trained at Gebeya, honing my backend skills. I specialize in web development with Spring Boot, NestJS, and general backend solutions. Currently.

## EDUCATION

**2019 - 2023**

**UNITY UNIVERSITY**

- Bachelor Of Computer Science

**2023 - 2024**

**GEBEYA TRAINING**

- Certified Backend Engineer

## WORK EXPERIENCE

**March 2024 - May 2024 Internship**

Safaricom Ethiopia | Adis Abeba, Ethiopia

**Backend Engineer**

- Developed and maintained backend services for various applications using Spring and Spring Boot.
- Implemented authentication and authorization using Keycloak, OAuth2, and JWT.
- Built and managed microservices, ensuring high performance and reliability
- Monitored and maintained system health using Grafana and Prometheus.

**Feburary 2024 - July 2024**

Purpose Black Ethiopia | Adis Abeba, Ethiopia

**Full-stack Developer & UI/UX**

- Developed and maintained full-stack applications using the MERN stack.
- Integrated RESTful APIs and front-end interfaces using React.
- Designed and implemented microservices architecture using Spring Boot and Node.js
- Conducted code reviews and mentored junior developers, ensuring adherence to best practices and code quality.
